

To Place or Not to Place: Engagement Therapy for Early to Middle Stages of Dementia

Free Dementia Education Seminar

Tuesday, November 16th
1:00 PM to 2:30 PM

Dr. Bill E. Beckwith
Guest Speaker

Dr. Bill Beckwith is a Clinical Psychologist, author of the book, **Managing Your Memory: Practical Solutions for Forgetting**, and co-founder of Memory Management, a company whose mission is to promote more effective use of memory in everyday life. He has published more than 70 articles and won several teaching awards during his 30 years as a clinician and researcher in the area of memory and its disorders.

During this seminar, Dr. Beckwith will discuss:

- Tailoring your caregiving efforts to each stage of the disease
- Using appropriate and engaging tasks to involve your loved one in activities
- The principles behind Engagement Therapy
- How Engagement Therapy can help your loved one live life to its fullest
- Ideas to develop your own Engagement Therapy activities

Join us for this educational seminar. Seating is limited, so make your reservation early. Adult day care will be provided by qualified staff. Please ask for this service when making your reservation. Light refreshments will be served.
